OPINION

Pursuant to 42 U.S.C. § 1981 and Alabama law, plaintiff filed this lawsuit asserting a variety of claims related to the termination of his employment. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed for failure to prosecute. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 29th day of July, 2021.

UNITED STATES DISTRICT JUDGE
